We have 21 Students and each of them cost the Franschhoek Hospitality Academy R5000 p/m to put through our 1yr Hospitality TRAINING program. By Sponsoring a Student's Future, he/she could then:

1. Gain a valuable skills-based education
2. Be better equipped for future employment opportunities
3. Provide for their Families
4. Be a potential employee of your Establishment. (You could be investing in your future too!)
